

SPEEDKNIT™

IMPACT

IMPACT-RESISTANT HAND PROTECTION

SpeedKnit® Impact gloves safeguard working hands with flexible Thermoplastic Rubber (TPR) on a seamless 13-gauge nylon shell. High-dexterity polyurethane palm coating enhances your grip when working with hand tools in wet and dry conditions.

IMPACT PROTECTION

Thermoplastic Rubber (TPR) exoskeleton protects the back of your hands against impact and abrasion.

GRIP

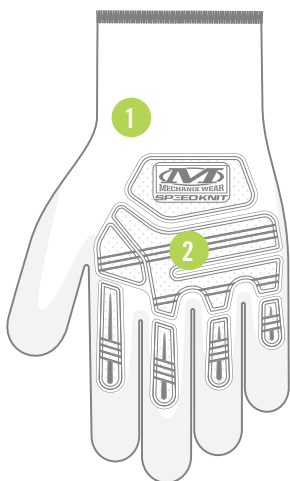

Polyurethane palm coating provides grip in wet and dry conditions.
